The screenshot shows the homepage of the EcoInn Danube website. At the top, there is a navigation bar with the Interreg logo and the text 'Danube Transnational Programme EcoInn Danube'. To the right of the logo, there are links for 'ABOUT US', 'SUBMIT AN OFFER', 'EEO-REGISTRATION', 'CONTACT', 'REGISTER', and 'LOGIN'. Below the navigation bar is a large green banner with the text 'EcoInn Danube' in white. Underneath the banner, there is a section titled 'Welcome to the virtual lab for eco innovations, the ultimate place for:' followed by a list of bullet points: 'International cooperation in eco-innovations', 'Further development and commercialisation of eco-innovations', and 'Bringing eco-innovation actions together'. Below this, there is a paragraph explaining the purpose of the virtual lab: 'This virtual lab is created as part of the EcoInn Danube project co-funded by the Interreg Danube Programme. General objective of the EcoInn Danube project is to promote a cooperation of innovative actors in the field of eco-innovations with specific emphasis on development and commercialisation of eco-technologies in the Danube Region. In this platform you can submit an offer either for a challenge you are facing or a solution you're assigned. To let us know details of the eco-technology you offer, **press, propose!**' Below the paragraph, there are two links: '→ We're looking for eco solutions' and '→ We're offering eco solutions'. At the bottom, there is a section titled 'Here you can also find people who can guide you in your search for eco solutions or in further development of your idea. Search our expert database HERE.' Below this text are two icons: one showing a person with a lightbulb above their head labeled 'SUBMIT AN OFFER' and another showing a lightbulb with a plant growing inside labeled 'EEO-REGISTRATION'.
